

- Increase mental health literacy for students
- Continue to use a multi-tiered system of support to support student mental health and attendance, ensuring students are connected to services when required
- Implement MH78 and MH10 in applicable classes
- Support all students to know how to seek mental health supports

- Continue to support family/parent/caregiver mental health literacy and importance of school attendance
- PPM 128 requirements related to digital devices
- Caregiver Communication Digital Devices Plan
- Co-facilitate Hannah Beach Parent sessions for Emotional Health Learning
- Collaboration and implementation of Right Time, Right Care

- Develop a new three-year mental health and additions strategy for KPDSB
- Implement all Policy and Program Memorandum 169 (PPM 169) requirements
- Create an implementation plan for Leading Mentally Healthy Schools with Administrators
- Lead Sr. Team through SMHO Mental Health for Senior Leaders program

- Ensure elementary and secondary educators, school support staff and mental health champions feel equipped to intentionally and explicitly support student mental health in the classroom with implementation of SMHO Materials and resources
- Support educators to deliver MH78 and MH10
- Support PVP group with Leading Mentally Healthy Schools

2024/2025 Mental Health Action Plan
